to the tender three bids were received on the due date of submission of the bid. All the bids were technically evaluated by the Technical Bid Evaluation Committee consisting of three members of the Cantonment Board, Danapur which was also considered by all the elected members of the Board, Danapur and the evaluation report contains the signature of three officials and six members, out of seven. Thereafter, it appears that the Financial Bid was opened of all the three bidders. The L-1 has been declared through E-procurement which after making comparison of among the eligible bidder provides the output of L-1 among the three bidders. Even on this I found that there is much difference in the rate of L-1, L-2 and L-3. Thus, there is no consideration for awarding the work to the L-1 bidder, namely, Mahiraj Construction Works. This is a simple case of dual bid system, therefore, following the instruction of Central Vigilance Commission there is no question of any negotiation with any bidder as no exceptional situation for post negotiation as laid down by the Central Vigilance Commission is available. Hence, the L-1 bid is to be considered for the award of work, keeping in mind the urgent execution of work within the time before the Chhath Puja."

The evaluation committee recommended to open the financial bid for Sachida Nand Kumar, the following tender :

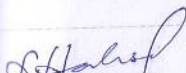

NOTICE No. CBD/AC/CHHATH/2019-20/1 DATED 17.09.2019 AND TENDER ID 503755_1 FOR पूजा के अवसर पर छावनी क्षेत्र के गंगा घाटों एवं अन्य बताये जगहों पर बैरिकेडिंग हेतु Barricades at Ganga Ghat, Danapur Cantt

The financial bid submitted by the **Sachida Nand Kumar** are as follows :-

| कार्य का नाम | विवरण | दर | कार्य पूरा करने का समय |
|---|--|---------------------|------------------------------|
| 2 | 3 | 4 | 5 |
| गंगा पर बैरिकेडिंग का कार्य | प्रति पौरा | 5500/- प्रति पिस | 31/10/2019 10:00 बजे तक । |

to the tender three bids were received on the due date of submission of the bid. All the bids were technically evaluated by the Technical Bid Evaluation Committee consisting of three members, one from the Cantonment Board, Danapur which was also considered by all the elected members of the Board, Danapur and the evaluation report contains the signature of three officials and six members, out of seven. In course of Evaluation it transpired that out of the three Bidders only one, namely, Sachidanand Kumar, was found to be fulfilling the entire eligibility criteria and the other two, namely, Mahiraj Construction Work and Sanjay Kumar, is not fulfilling the criteria relating to experience for this particular work. Thus, the Committee found only one bidder eligible for opening the financial bid. Thereafter, the Committee opened his Financial Bid, and found the urgency of work. In such situation considering the fact that the work of the project has to be completed between 30th to 31st October, 2019 because the Chhath Puja at Ganga Ghat on 31st evening itself from the date of Nahai-Khai. Thus, there is no time left to discard the bids and issue fresh tender notice. Thus, keeping in mind this fact the Cantonment Board, decided to consider the Financial Bid. There is no bar in law in considering even single tender in such exigency of the situation. The General Financial Rules of the Ministry of Finance provide for Award of the work even in the case of single offer, subject to the condition that the work is of urgent nature. Thus, keeping in mind there is no legal bar in considering and awarding the work in single tender, particularly in view of the facts, that the present work is of emergent nature and to be executed within particular time line in the interest of common people. I am also of the opinion that even in the present case there is no exceptional situation for post tender negotiation as per the Commission Circular No.4/3/07 dt 3.3.2007 as there is no procurement of items with limited source of supply and there appears to be no case of suspicion of cartel. Thus, there cannot be any post tender negotiation. Another important factor is to be considered is the short time available for successful execution of work before the Chhath Puja. Thus, the work can be considered for awarding to the successful bidder, namely, Sri Sachidanand Kumar."

इसके अलावा यह बात सामने आई है कि क्षेत्र में मार्शल और सदर बाजार की मौजूदगी के कारण वार्ड 1, 3 और 4 के इलाकों में भी ट्रैफिक और लोगों की भारी आवाजाही है, और देवनिया नाला से गुजरने वाली सड़क के माध्यम से मुख्य संपर्क लिंक दानापुर- गांधी मैदान-बांकीपुर रोड है। इन कारकों के परिणामस्वरूप यह क्षेत्र में ट्रैफिक को वाहनों और पैदल चलने वालों के साथ सबसे अधिक समय तक चोक किया जाता है। सिविल एंजियरों की बार बैठकों में और अनौपचारिक प्लेटफार्मों में कैंटोनमेंट बोर्ड/सीईओ को सुझाव दिया है कि वे आधुनिक और बचत करने या मौजूदा पार्किंगों को फिर से व्यवस्थित करने के द्वारा यातायात की भीड़ को कम करने के लिए कदम उठाए। It is hereby brought to the notice of the Board that there is a huge movement of people in areas encompassing Ward 1,3 and 4, due to the presence of Marshall and Sadar Bazar in the area and also the road from Devania Nala passing through market area is the main link Danapur- Gandhi Maidan-Bankipur Road. As a result of these factors it is found that the road is most times choked up with vehicles and pedestrians. The civil administration has also taken steps in meetings and in informal platforms suggested/requested to Cantonment Board/CEO to take necessary steps to alleviate the traffic congestion by way of creating modern parking facility or by using existing parkings.

क्षेत्र में कार्यालय ई-टेंडर के माध्यम से आउटसोर्सिंग करके टैक्सी-टेंपो जीप और बस मैक्सी पार्किंग शुल्क से चार्ज कर रहा है, जिसके लिए सर्वेक्षण संख्या 24 में एक क्षेत्र को मापने के लिए 0.587 एकड़ का उपयोग किया गया है। जीप और मोटर लॉरीज रैंड के लिए किया जा रहा है। यह भी उल्लेख किया जा सकता है कि क्षेत्र में 202 के अनुसार रिक्त भूमि जीएलआर .224 (यानी सड़क बीच में चल रही है) के विपरीत है और अक्सर ट्रैफिक जाम आदि के विक्रेताओं द्वारा अस्थायी रूप से अतिक्रमण किया जाता है। जीएलआर सर्वे सं० 292 में उल्लेख किया गया है और यह कैंटोनमेंट बोर्ड के प्रबंधन के अधीन एक खाली भूमि है, जो सर्वे सं० 290-1 के समीपवर्ती क्षेत्र में 2331sqft. मापती है। कैंटोनमेंट बोर्ड के प्रबंधन के तहत खाली भूमि भी है।

The Proposal for reservation of wards for SC & ST must be submitted to the Directorate, Defence Estates, Central Command by 05.12.2019 for submission of proposal for notification in the Official Gazette.

Attention of the Board is drawn to section(5) of Cantonment Electoral Rules 2007 which provides for reservation of wards/seats for scheduled castes and scheduled tribes, which reads as follows:

- (1) "Seats shall be reserved for the scheduled Castes and the Scheduled Tribes in every Cantonment on the basis of the percentage which their population bears to the total population of the Cantonment according to latest census and the minimum percentage required for such reservation shall be as specified in the First Schedule:

Provided that the Scheduled Caste or the Scheduled Tribe population so exceeds the minimum required percentage in any Cantonment that they become entitled to higher reservation, the number of seats reserved for them may be increased proportionately, according to their population of the area and in determining the number of seats to be reserved for the Scheduled Castes the Scheduled Tribes, if the Scheduled Caste or Scheduled Tribe population falls short by less than 3% of the required minimum percentage, the figure may be rounded off for the reservation of a seat or seats for which they would have otherwise been entitled.

As per census of 2011 the total population of Danapur Cantt. along with SC & ST population is given below:

| Sl.No | Ward No. | Population | | | SC | | | ST | | |
|--------------|----------|--------------|--------------|--------------|-------------|-------------|-------------|------------|-----------|------------|

| 7 | W.07 | 4264 | 2270 | 6534 | 427 | 372 | 799 | 339 | 25 | 364 |
| Total | | 16099 | 12624 | 28723 | 2634 | 2330 | 4964 | 353 | 38 | 391 |

As depicted above SC population is only 17.28% (i.e. 4964) in Danapur Cantt, therefore only 1 ward i.e. ward No.06 (with the highest number of Scheduled Castes Population i.e. 1708) is reserved as SC ward during the time Cantonment Election 2015. No reserved ward for Scheduled Tribes, since population is only 1.36% (i.e. 391).

In view of the above since the basis of reservation for Scheduled Castes and Scheduled Tribes remains the census 2011 data, therefore only 1 ward i.e. ward No. 06 is proposed as reserved for Scheduled Castes and no reserved ward for Scheduled Tribes as population of Scheduled Tribes is only 1.36% and does not qualify for reservation.

In view of the mandatory provisions of Cantonment Electoral Rules 2007 and instructions from the DGDE & PDDE Office the matter is now put up before the Board vide this Circular. As the Scheduled timeline of 05.12.2019 is coming to a close and since President Cantonment Board Danapur is on leave and out of station till 07.12.2019, as per communication received from President Cantonment Board Office.

The matter is hence put up before the Board for approval.

Resolution: Approved and resolved to reserve ward No. 06 for Scheduled Castes ward (i.e. 17.28% of 394), No ward is required to be reserved for Scheduled Tribes as population of Scheduled Tribes in only 1.36% (i.e. 391) as per census 2011. The proposal for notification in official gazette shall be sent accordingly.

CIRCULAR AGENDA NO. 140 DATED 18.12.2019

Subject:

REPAIRS TO BUILDINGS IN CANTONMENT AREAS

It is brought to the notice of the Board that Government of India, Ministry of Defence circulated orders on 'Repairs to buildings in Cantonment areas' vide letter No.2(2)/2018-D (Q&C) dated 11.12.2019 which is stated below:

The Expert Committee on Working of Cantonment Boards, in its report submitted to the Government has observed that the term 'repairs' appearing in the Land policy of 1995 has not been defined, leading to ambiguity. The Committee, while opining that the matter needs to be clarified has suggested a list of activities which may constitute 'repairs' for which notice to Government Board u/s 235 of the Cantonments Act, 2006 may be required.

The matter has been examined by the Government in consultation with DGDE and Army (JMG Branch). It has been decided that in the context of Cantonment areas, in furtherance of provisions contained in section 235(2) of the Cantonments Act, 2006 and structural stability of the building, repair works to authorized buildings shall include the following, for which notice of sanction of erection or re-erection u/s 235 of the Cantonments Act, 2006 may not be required:-

- (a) erection, re-erection, addition or alteration of –
 - (i) an internal partition wall which does not involve sub-division of property, or
 - (ii) a parapet wall or a cornice or chajja within the boundaries of the permissible setbacks & ground coverage area of the site. Provided that the total height of the parapet wall shall not be more than 1.20m and width of the cornice or chajja shall not be more than 50cm;
- (b) repairing of a staircase;
- (c) white washing or painting;
- (d) re-flooring of the surface of an existing floor;
- (e) minor repairs and recasting of an existing damaged roof without changing the character and dimension of such roof;
- (f) erection of a false ceiling in any floor for air-conditioning, lighting or decorative purposes;
- (g) plastering and patch work;
- (h) providing or closing an internal door or window or a ventilator not opening directly opposite a door or a window of another building;
- (i) replacing of fallen bricks or stones;
- (j) repairing or renewing existing plumbing, sanitary and other utility services;
- (k) repairing of boundary wall;
- (l) installation of air-conditioner/water tank/solar panels/solar water heater/etc

I am directed to further state that the Government has considered the suggestion of the Expert Committee regarding misinterpretation of the words 'material alteration' appearing in section 235(2)(a) of the Cantonments Act, 2006, and it has accordingly been decided that the said term shall refer to substantial alteration which would include any works not listed in para 3 above, for which necessary sanction for erection or re-erection of building would be required under the provision of the Act. The definition of the term 'material alteration' should be clearly brought out by the Cantonment Boards while revising the building bye-laws."

The Board may consider and note the above amendments as mentioned in the ibid policy for compliance. All relevant documents are placed before the Board.

Considered and approved the instructions contained in above ibid as circulated vide Ministry of India, Ministry of Defence letter No.2(2)/2018-D (Q&C) dated 10.12.2019.
